

Recovery from
prescription opioid and/
or heroin addiction is
possible.

People who survive
near-fatal overdoses
can begin their life
again by making the
decision to get help
today with a simple
request...

***“Yes, I would like to
learn about recovery
options.”***

After Narcan...

***Recovery can
happen.***

*For more than 40 years dedicated
to building healthy families and
communities...*

Whether you are troubled by someone else's drug use or you have been living with addiction, please realize that you have an opportunity to begin recovery today.

Everyone can be part of the recovery process.

If you or a loved one want to learn about available help, call the Center for Prevention and Counseling at
(973) 383-4787

for your local connection to recovery supports in Sussex County, NJ

You can also call the
**NJ Addiction Services
Hotline - 24 hours a day,
7 days a week at
1-844-276-2777.**

A caring peer or clinician is waiting to talk to you.

No matter who you are, how long you have lived with addiction or what you may have thought about recovery options in the past, we want you to know that there are multiple, diverse and alternative paths to recovery which could improve your life and relationships today.
