"The dedication of the people within the program was invaluable to my wife and I as we struggled with finding the help not only for our son but also ourselves."

Father

"Your caring hearts and efforts will certainly help heal our small corner of this world and hopefully will become a catalyst for other police departments and programs to listen to the needs of the addiction community in order to create a safe haven now and a prevention model for future generations."

Mother

"So many people have a fear of police because of addiction and he was met with nothing but helpfulness and kindness and all out love. The program is fantastic. Thank you so much to you and your team."

Girlfriend

"Thank you! I'm so grateful for you guys and the C.L.E.A.R. Program "
